There are so many people who have helped to make this evening possible, memorable, enjoyable, and a great success. We want to thank them all. Without their participation this evening would not have happened.

The AWR office staff for their assistance.

The wonderful AWR parent volunteers who have generously given their time to assist with business solicitation, website development, marketing, basket wrapping, ticket sorting, and all the day/night event tasks.

The vendors who helped create such a beautiful atmosphere for our event:

ANH Design House (Nikisha Hidalgo)

Blooms at Belle Mead (Lauren Hseih)

@bloomwildlyflorals (Christine Mellusi)

Palm Tree Photo Booth

Marco Zelaya, aka "DJ Godfather," for providing us with great music and entertainment this evening.

The attendees of this event who help make our children's dreams and visions come to life.

The PTA for their support throughout the fundraiser.

The Spring Fling Committee who has put in countless volunteer hours planning and executing this amazing event. And from the Spring Fling Committee, a huge thank you to our families for all of their support and understanding throughout the planning of this event.

Last but not least, AWR friends, families, and businesses that have made generous donations to this fundraiser. We ask that you try and support these businesses since they do so much to support our children at AWR.
